CONDITIONS OF SALE

1. If there should be a dispute in regard to the bid between two or more bidders, the Auctioneer shall either decide the same or the article shall be at once put up again and resold.

2. The Auctioneer reserves the right to reject any bid which is merely a nominal or fractional advance, and therefore, in his judgment, likely to affect the sale injuriously.

3. Purchasers to give their names and places of residence and to pay a cash deposit of at least 50 per cent. of the purchase money—or the whole of the purchase money if required —in default of which the lot or lots so purchased to be immediately put up again and resold.

4. Bills payable in cash or certified check before delivery.

5. Receipted bills must be presented before goods can be removed.

6. Goods to be removed at the expense and risk of the purchaser, on the morning following each day's sale, between eight and twelve o'clock, and the remainder of the purchase money to be absolutely paid before removal.

7. Goods not removed on the morning following each day's sale, between eight and twelve o'clock, remain at the sole risk of the purchaser.

8. No claims allowed after the removal of goods.

9. Articles are exposed for examination and are sold without guaranty of any kind.

No goods delivered during sale.

10. Execution of orders to purchase at the sale by those who cannot attend will be given careful attention without charge, providing a cash deposit or satisfactory reference is given in ample time before sale. Such orders if executed, will be subject to all the conditions of sale.

11. Our record of sales in all cases final.

12. Upon failure to comply with the above conditions the money deposited in part payment shall belong to the Auctioneer as liquidated damages for purchaser's failure to complete the sale. All lots unclaimed within the time aforesaid shall be resold at public or private sale, without further notice, and the deficiency (if any) attending such resale, shall be made good by the defaulter at this sale, together with all charges attending the same.

This condition is without prejudice to the right of the Auctioneer to enforce the contract made at this sale without such resale if he thinks fit.

13. *The undersigned are in no manner connected with the business of the cartage, wrapping or packing and shipping of purchases and although they will afford to purchasers every facility for employing careful carriers and packers, they will not hold themselves responsible for the acts and charges of the parties engaged for such services.*
